The Apollo PAC has been filling our reports monthly for the past 6 months, and I didn't realize that I did not notify the FEC properly. I thought that I had submitted the proper forms, but I realize now that they did not go through. I am writing today to make sure that you are aware that we changed over to a monthly filing system. This is why I did not file a July quarterly report. Please let me know if there is anything further that I need to do. Thank you very much.
